CODE OR DEPARTMENT

Subject name

Teaching unit I

Title of the teaching unit

Prof. Dr. Your Name

PART 1

Name of the first section

Slide title

Subtitle (repeated after `---`)

Text with **bold**, *italic*, **blue emphasis**, yellow highlight and underline.

→ Item with an arrow
→ Another item

- Item
  - Sub-item
    - Sub-sub-item

Definition

Box with a title (same as `#emph-box(title: [Definition])[...]`).

Slide title

Subtitle (repeated after `---`)

Box without title

> A quotation in a box.

$$x^2 - 3x + 2 = 0$$

Equation box:

$$x = \{2, 1\}$$

Slide title

Subtitle (repeated after `---`)

A list of quotation boxes

Another item

Another item
with 2 lines

Another item

Another item

Slide title

Subtitle (repeated after `---`)

Column with blue divider

| Column 2

Col without divider

Column 2

Boxes with an icon

Tip

An icon before the title: the name of any `#icon` (`"tip"`, `"warning"`, …) or any content.

Caution

The icon is centered on the capitals of the title, and the badge keeps the same height.

Callouts

Caution! A caution: `x * y` with two lists is an error.

Tip. A tip: the up arrow recalls the last command.

Remark. As seen before: a **function** is a named block of code.

Note. A note: something secondary.

Exercise 1.1 — An exercise

Statement. (Also `#exercise-slide(title: [Title])[...]`.)

Example 1.1 — An example

Citing the **Exercise 1.1**.

Thank you!
